

I am standing up in Congress to make sure that our state has a voice at the table when important transportation decisions are being made in Congress. From highways to airports to railroads and the Mississippi River lock and dam system, I'm fighting in Congress to satisfy the transportation needs of Iowa.

### Recent Action

- [\\$3.4 million Secured for Iowa DOT](#)
- [North Buena Vista: Grant Secured for City Snow Plow](#)
- [\\$1.5 million Secured for Dubuque Parking Facility](#)
- [DOT Grant Secured for Clinton Airport](#)
- Recovery Act Funds: Strengthen Dubuque's Transportation
- [SW Arterial Project, Millwork District](#)
- [Bus System](#)
- [Waterloo: Braley Discusses Jobs for Main Street Act](#)

### Features

[BP Oil Spill: Braley Urges Evaluation of Impact on Mississippi River Shipping](#)

Read Braley's letter to President Obama and Admiral Allen [here](#) . [Toyota Recalls: Braley Takes Action](#)

[Braley's Motor Vehicle Safety Act of 2010](#)

### **Water Resources Development Act of 2010 Requests:**

- Regional Wastewater Treatment Plant, Clinton

-

RiverVision Floodplain Management Demonstration Project - Centennial Park, Davenport

-

Riverfront Stadium Levee Construction, Waterloo

-

Dry Run Creek Gatewall Replacement, Waterloo

### **Highway Bill**

This year I have the opportunity to fight for important Iowa projects in the 2009 Highway Bill. For more information on the projects I am requesting for Iowa's First District, [click here](#) .

### 2009-2010 Legislative Action

#### Cosponsorships:

- H Con Res. 240, National Streetscaping Week Resolution
- H.R. 734, Pedestrian Safety Enhancement Act of 2009
- H.R. 863, to allow employee benefits in the same month in the form of transit passes and bicycle commuting expenses
- H.R. 1132, to extend and modify the railroad tax credit
- H.R. 1443, Complete Streets Act of 2009
- H.R. 3947, Locomotive Fleet Investment Act

#### Past Legislative Action
